This end user license agreement (hereafter ›agreement‹) is a legal agreement between you, or, if you represent a legal entity, that legal entity (hereafter ›you‹) and Jan Henrik Arnold (hereafter ›JHA‹). By downloading and/or installing JHA web font software (hereafter ›font‹) you acknowledge that you have read, understood, and agreed to be bound by the terms and conditions of this license agreement.

1. LICENSED EPUB FONT

You are hereby granted a non-exclusive, non-assignable, non-transferable license (subject to all of the terms and conditions of the agreement) to embed the font into one (1) publication, which is stored and distributed in formats like: edible .pdf documents, epub 2.01, epub 3, and kf8 which contains subsets of the font. Updated versions of publications are free to previous customers and do not need a new license. The license is valid for an unlimited number of copies downloaded. Regional or format variations of a work do not count as separate publications. Magazines, newspapers or other publications with changing content in their issues need a license for each publication. Please contact font@janhenrikarnold.de for more information.

2. RESTRICTIONS OF USE

- (i) You may not embed the font software in any application that allows the generation of output such as .pdf documents, word processing documents, spreadsheets, labelled photos, static images, scalable images, advertisements or other documents or data files, or in any application that is a server component in a client/server architecture.
- (ii) You have to obfuscate the font software and if this is not possible you have to use only the subsets of the fonts which are necessary to display the texts in the publication.

3. COPYRIGHT

The font and the design are in their form, structure and code exclusive property of JHA. No ownership rights are granted as a part of this contract. This font is protected by the United States Copyright Law and design laws by nations and international treaties. You agree to treat the font as confidential information and exercise reasonable care to avoid unauthorised distribution. You may make back-up copies of the font for archival purposes only, provided that you retain exclusive custody and control over such copies.

4. ALTERATIONS OF THE FONT

Except as the granted back-up you may not copy, modify, adapt, convert, translate, reverse engineer, decompile, disassemble, alter, or attempt to discover the source code of the font software. If you intend to make alterations to the font, you must obtain the prior written consent of JHA. If the font contains embedding bits that indicate that the font software is only authorized for certain purposes, you may not change or alter the embedding bits.

5. CREDITS FOR THE FONT

You shall identify the fonts to users of the devices only by the font's original name and in accordance with accepted trademark practice, including identification of the trademark owner's name. The devices' font selection user interface must display the font's original name(s) and cite the source of the font. You will only use the font's original name(s) to identify a font which effects a faithful reproduction of the underlying font and which is of a quality sufficient to meet industry typographic quality standards.

8. TERMINATION / GENERAL PROVISIONS

The license granted herein is effective with the full payment until terminated. JHA has the right to terminate your license immediately if you fail to comply with any term of this Agreement. Upon termination, you must destroy the original and any copies of the font and documentation. The JHA Font Software Web License Agreement is subject to German Law. If any part of this agreement is found void and unenforceable, it will not affect the validity of the agreement, which shall remain valid and enforceable according to its terms.
